Individual Sandwich Boxes & Lunch Bowls

DELIVERED TO YOUR OFFICE

Make It A Churchill Business Lunch

The following menu items are presented for business lunches, corporate meetings, and conferences. Or let us make lunch to surprise your team. We take pride in providing nourishing, handmade food that helps to comfort all who are present. In our current Covid-19 world and in our efforts to maintain the CDC guidelines, we are offering a number of nutritious luncheon options (many gluten-free).

Each of these selections would be made available for pick up from our Forest Avenue offices — or for delivery around the Portland Peninsula. Please give us 24 hours to source and prep these very popular items.

We will provide disposable serviceware, unless you prefer that we supply china, glassware, flatware, and linens. Beverages, including alcoholic drinks, are also available for order. We also can arrange to have a member of our service team to be on duty during the event. Let us know, and we can provide an estimate.
